EXHIBITIONS

Option 1 - Fine Art Exhibit

Photographs will be printed on fine art paper, signed and framed.

The host and Udi make the photograph selection and decide on type of framing.

There is no limitations on size or number of photographs.

The prints can either be printed by Udi in Israel and shipped to the US or printed in the US by a mutually agreed upon printer.

Host is responsible for all printing, mounting and shipping costs. Prints stored in the US that have been made for previous exhibitions and are not in use, will be made available for the host at no additional fee aside from shipping.

If the exhibition is for display purposes only, there will be a fixed fee of \$1000 for image usage.

If the exhibition prints are on sale, revenue will be divided 75% : 25% between Udi and the host respectively and there will not be a fee for image usage.

Option 2 - Exhibit Photos for Educational Purposes

The host or Udi pick up to 35 photographs to be printed.

Photographs can be printed up to 30" on the long edge.

They can be mounted on foam board / foam core or a similar material.

Host can keep the photos and reuse them for other educational purposes.

Photographs cannot be sold or passed to a third party.

There is a fixed fee of \$350 for image usage.

Either option can be accompanied by a guided tour by Udi, either before the main event of the day or as a separate event.
